ContinuingEducation.com Accreditation Statements

This is a list of our current accreditations. We make every effort to keep this list as accurate and detailed as possible as they change or become updated. Please check with your licensing or accrediting organization if you have any questions about specific accreditation in your local area for your profession.

Nursing

ContinuingEducation.com is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**.

ContinuingEducation.com (known as Nursing Spectrum Continuing Education at the time) has been honored by the American Nurses Credentialing Center with Premier Status and is the only for-profit entity to ever receive the Accreditation Premier Program Award. The ANCC stated: "The most obvious example of Nursing Spectrum CE's status as a model of learning excellence comes from the more than 250 healthcare organizations and systems that have contracted for access to Nursing Spectrum CE's educational activities for their nurses through CE Direct. Some organizations have been in this relationship for seven years or more, and the program has a 95% renewal rate."

ContinuingEducation.com was also cited by ANCC for having quality courses and strong leadership.

ContinuingEducation.com is also accredited by the Florida Board of Nursing (provider # FBN 50-1489). ContinuingEducation.com is approved by the California Board of Registered Nursing, provider # CEP16588.

ContinuingEducation.com's continuing education (CE) contact hours are generally accepted by most professional nursing organizations and state boards of nursing. ContinuingEducation.com has made substantial efforts to obtain appropriate providerships for CE offerings. However, ContinuingEducation.com does not warrant that all professional organizations or licensing authorities will accept its CE contact hours. If in doubt, nurses are advised to contact their professional organizations or licensing authorities to confirm their acceptance of these contact hours.

Athletic Trainers

*The CE courses listed under the **Athletic Trainers** category are intended for athletic trainers.*

ContinuingEducation.com is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers (provider #P1000).
