Princeton Medical Center Foundation

Gifts

Moses Taylor Pyne Society

In 1919, Moses Taylor Pyne, a distinguished philanthropist in turn-of-the century Princeton, donated a five-acre farm at 253 Witherspoon Street as the site of Princeton Hospital. On this tract, a farmhouse was converted to a 22-bed hospital with an operating room, and Princeton Hospital began its service to the community. The Moses Taylor Pyne Society recognizes donors who characterize Pyne's vision, leadership, and commitment to the community. Pyne Society donors who contribute critical support of \$10,000 or more annually to Princeton HealthCare System receive numerous recognition benefits and patient amenities provided by the PHCS Foundation during hospital visits. For more information, please contact the Foundation office at 609.252.8710.

This list reflects all gifts made to Princeton Medical Center Foundation as of December 2017.

We apologize for any errors or omissions. Please contact us with any corrections at 609.252.8710 or foundation@princetonhcs.org.
