## Moses Taylor Pyne Society:

*In 1919 Moses Taylor Pyne, a distinguished philanthropist in turn-of-the-century Princeton, donated a five-acre farm at 253 Witherspoon Street as the site of Princeton Hospital. On this tract a farmhouse was converted to a 22-bed hospital with an operating room, and Princeton Hospital began its service to the community. The Moses Taylor Pyne Society recognizes donors who characterize Pyne's vision, leadership, and commitment to the community. Pyne Society donors, who contribute \$10,000 or more annually to Princeton HealthCare System, are critical to its success.*
